

Kevin Peek

ATTORNEY IN ST. LOUIS, MO

Kevin Peek brings several years of experience in defending high-exposure medical malpractice claims and defending healthcare providers in the correctional setting. Kevin has represented numerous medical facilities and health care providers throughout Missouri.

As an associate in the firm's Health Law practice group, Kevin assists in cases involving medical malpractice defense and defense of providers in correctional health care. Kevin strives to provide professional and thorough legal services to clients in order to create an appropriate defensive plan, and in an effort to reduce the stress created upon health care providers as a result of legal matters. Kevin is a regular contributor to the firm's Physician Law Blog, and authors articles on legal matters and technology.
