

Tyler Waugh

ATTORNEY IN KANSAS CITY, MO

Tyler joined Sandberg Phoenix in 2022 and is a member of the Products Liability and Business Litigation practice groups. Tyler strives to help people navigate through litigation. Whether it's aiding clients in a personal injury matter, assisting an organization with business litigation, or backing professionals facing claims of liability, he is dedicated to advancing the interests of his clients.

While in law school, Tyler pursued various avenues of cultivating his litigation skills during his time at the University of Missouri-Kansas City School of Law. He competed in numerous mock trial competitions, served as Chief Justice of the Board of Barristers, and provided legal aid to the United States Attorney's Office for the Western District of Missouri. Tyler also worked with a small firm that specialized in representing clients in employment law and personal injury litigation.

Outside of advocating for his clients, Tyler is a former collegiate athlete who likes to stay active and travel with his friends and family. He also looks forward to the quality time he gets to spend with his wife and "foster-fail" puppy.
