Trademark & Copyright Litigation

Our attorneys offer diligent and comprehensive legal advice and representation in state and federal trademark and copyright litigation for individuals, entrepreneurs, small businesses and established entities.

We understand how vital it is to our clients to protect their intellectual property – trademark, service mark, trade name, trade secret and copyright or license.

Our Intellectual Property team is expertly experienced in a broad range of trademark and copyright litigation matters, including:

- Federal registration and trademark confusion issues
- Trademark infringement and dilution litigation
- Copyright infringement
- Injunctions preventing acts in violation of the Lanham Act
- Unfair competition, dilution and passing off
- False advertising claims litigation
- Trademark and copyright licensing agreements and dispute litigation
