Intellectual Property

Proprietary technologies, scientific processes and creative ideas are priceless and unique assets to your business. In fact, your intellectual property (IP) is your business' most valuable asset.

Maximizing these investments by protecting them is not optional. You need attorneys that specialize in IP and who thoroughly understand your business and can provide you with the comprehensive legal protection necessary to protect the intellectual property that is the essence of your business. Our experienced IP attorneys are devoted exclusively to delivering our exceptional combination of value, expertise, competitive advantage and proven results as we guide you through the complex IP process. Our IP attorneys serve clients across the United States and overseas, and are highly skilled in providing IP counsel and services in foreign markets.

We offer a full range of intellectual property legal services, including:

- Copyrights
- Patents
- Trademarks
- Litigation
- Trade Secrets
- Unfair Competition
