

INDUSTRIES

Mortgage Providers & Services

Our attorneys handle a wide variety of mortgage servicing related matters.

Our practice includes judicial and non-judicial foreclosures, deeds in lieu of foreclosure, title claims and title litigation, forbearance agreements, unlawful detainers (evictions), REO closings and mortgage related litigation. Bankruptcy services include motions for relief from stay, objections to confirmation, proofs of claims and adversary proceedings. We have also invested in the latest technology including Lenstar, New Trak, New Invoice, iClear and Vendorscape.

In mortgage servicing related matters, as with all practice areas of our firm, the hallmark of our firm is outstanding service and aggressive representation to pursue or defend the legal and equitable rights of our clients.
