

INDUSTRIES

Wholesale & Retail Services

Our team helps retail clients conduct business transactions, resolve disputes and navigate government regulation so they can grow and prosper.

We provide services to our clients who are seeking capital, are restructuring, dealing with workforce issues, tax planning or resolving a dispute.

Below is an outline of the services we most frequently provide to retail clients:

- Construction and development of retail store
- Franchising and brand issues
- General corporate structuring and tax matters
- Labor and employment matters
- Lease, master lease and sale/leaseback transactions
- Operational and management issues
- Receivership and bankruptcy proceedings for owners, operators, tenants, lenders and franchisors
- Restructuring troubled operations for creditors, operators, owners, lenders and franchisors
- Trademark and intellectual property matters
