Check Out A.M. Best Insurance Law Podcast Featuring Aaron French and Phil Graham Discussing Missouri Bad Faith Law

AUTHOR: SANDBERG PHOENIX

Summary: A.M. Best and *Best's Recommended Insurance Attorneys and Adjusters* has released the latest installment of the Insurance Law Podcast, a series that examines timely insurance issues from an attorney's point of view.

We explain why Missouri is quickly becoming known as a risky state for insurers handling third-party claims and details carriers' options in Missouri for the duty to defend when there is an actual or potential defense to coverage. We also discuss the types of third-party bad faith claims that are recognized in Missouri and practical tips to try and avoid these claims.

Sandberg Phoenix & von Gontard P.C. is a qualified member of *Best's Recommended Insurance Attorneys and Adjusters*, a claims industry resource that has featured legal counsel, independent insurance adjusting services and expert service providers since 1928.
