Jason Schmidt

ATTORNEY IN CLAYTON, MO

Jason Schmidt is an intellectual property attorney who specializes in helping his clients protect and exploit their intellectual property, capitalize on their assets, and enforce their rights to collect.

Jason is experienced at both IP prosecution and acquisition as well as litigation and enforcement, he can help you acquire, defend, or monetize your IP. He also has extensive experience evaluating and expanding domestic and international intellectual property portfolios, and defending his clients' assets and their rights in court.

He has focused his practice on helping inventors, small businesses, and content developers to maintain a competitive edge in the marketplace by enforcing intellectual property rights against companies that infringe on those rights and on guiding his clients to best protect their creations, inventions, or themselves through acquiring patents, enforcing copyrights, and building and policing their brands, commercial reputations, entertainment and development contracts, and market presence.
