COVID-19 Resources

Our attorneys will continue to provide clients with up-to-date guidance and relevant blogs on the legal issues surrounding COVID-19 and its impact on businesses.

COVID-19 has presented unforeseen challenges for many of our clients during these uncertain times. We know you may be looking to our firm for guidance, or simply for updates on new or outstanding matters. Our firm has established a COVID-19 Task Force to ensure business operates as usual. We want to assure you and your organization that your level of service will not be disrupted during this time.

We have created a Force Majeure & COVID-19 Business Disruption Team. This team is prepared to counsel clients about the effect of delays, cancelations and other events related to contractual and business relations and handling any resultant litigation. Information can be found [here](#).

We have created a Legislative Watch Team to monitor and inform on changing laws as they develop.

Our attorneys and teams are keeping clients up to date with the most recent information through our blogs, housed [here](#) for easy reference.
