Video Gaming

Sandberg Phoenix's Video Gaming Team helps ensure our clients' understanding and compliance with gaming laws.

Our attorneys have years of experience representing clients in the video gaming industry, including lottery retailers, fraternal organizations, veterans organizations, truck stops, retail establishments (licensed to sell liquor), and video lottery gaming manufacturers, distributors, operators and handlers.

We can assist clients at every phase of their business:

- Licensing Challenges
- Minimizing Liability and Risk Exposure
- Real Estate
- Employment Regulations
- And more
