Shareholder Kenneth Goleaner to Present at the National Business Institute's Virtual Seminar on May 25

AUTHOR: KEN GOLEANER

On Tuesday, May 25, 2021, Insurance Team member Kenneth Goleaner will be a presenter at the National Business Institute's "Construction Law: Advanced Issues and Answers" virtual seminar. Kenneth will be presenting on the many insurance coverage issues common to the construction industry, including what constitutes an "occurrence," the applicability of the "business risk" exclusions, the "absolute pollution" exclusion, and issues concerning additional insured endorsements and additional insured coverage within the construction industry, with a focus on both Missouri and Illinois law. Information about the seminar can be found [here](#). Use Code FSP50N for \$50 off the seminar price.
