

SERVICES

Dental Practice Sales & Management

The Dental Law team at Sandberg Phoenix can assist you in starting, buying, managing and selling your dental practice. Our dedicated team of attorneys has successfully negotiated numerous leases for new space for startup dentists, expertly negotiated associates joining privately-held and/or MSO-owned practices, and annually assist in the sale of practices totaling over \$500M in TEV. With years of dental experience, we are uniquely positioned to advise you.

Our services include:

- Entity formation
- Real estate acquisition
- Lease documents
- Purchase agreements
- Partnership agreements
- Partnership disputes
- Operating agreements
- Workouts and restructuring
- Employee manuals
- Independent contractor agreements
- Non-disclosure and confidentiality agreements
- Asset protection

To learn how we can help you start, buy, build, grow or sell your dental practice, contact us today.
