

SERVICES

Mergers & Acquisitions

Our attorneys have broad experience in representing business purchasers and sellers, investors, joint ventures, private equity and capital funds and institutional lenders in various mergers and acquisitions.

We are uniquely suited to advise clients in mergers, strategic alliances, joint ventures, outsourcings and restructurings. Our wide-range of resources and experience allows us to adapt to our clients' specific business objectives and strategies.

We represent clients in various industries, including automobile, telecommunications, health care, financial services, professional services and other sectors. Our consistent exposure in several industries provides valuable specialized experience to transactions related to these industries.
