

SERVICES

Real Estate Litigation

Our attorneys and paralegals assist our clients in all phases of real estate activity.

We represent developers in acquisition, zoning, contracting, leasing and divesture; corporations in acquisition, leasing and divesture and lending institutions in documenting, securing and legal management of their real estate loan portfolios.

Our attorneys and staff take pride in successfully providing creative, collaborative, cost effective, practical and timely representation in the following matters:

- Agricultural, ranch and farm acquisition, financing and divesture
- Bank real estate lending
- Condominium services: development and post development stage
- Commercial finance
- Commercial leasing
- Construction and design contracting
- Construction and design litigation
- Corporate lending and borrowing
- Energy and utilities
- Financial lending institution regulation, federal and state
- Hospital real estate acquisition, land leasing, development and financing
- Lender liability defense

- Loan restructuring, workouts, foreclosures and recoveries
- Master planned communities
- Office, industrial and medical facility projects
- Oil and gas interests
- Shopping centers
- Subdivisions
- Zoning and land use
