

BAD FAITH BLOG

Expanded Coverage Coming Soon

AUTHOR: SANDBERG PHOENIX

We at Sandberg Phoenix want our Bad Faith Blog to cover bad faith law in as many jurisdictions as possible. For that reason, we will be posting important and seminal cases from several jurisdictions we have not previously reported on during the last 5 years. You will note some of these cases are decades old, but these older cases established the bad faith law in these jurisdictions. The same law discussed in forthcoming posts is alive and well to this day. We are hopeful our reporting on these cases covers the general bad faith law in those jurisdictions we have not yet covered. Hopefully this effort assists those attorneys and insurance professionals who practice or handle claims in these jurisdictions.
