

CMS Unveils Websites for Comparing Rehabilitation and Long-Term Care Facilities

AUTHOR: JONATHAN MCCRARY

The Centers for Medicare & Medicaid Services has unveiled two new websites for consumers that include information comparing rehabilitation facilities and long-term care facilities. CMS says that these websites are optimized for mobile use. The sites are located at [medicare.gov/inpatientrehabilitationfacilitycompare/](https://www.medicare.gov/inpatientrehabilitationfacilitycompare/) and [medicare.gov/longtermcarehospitalcompare/](https://www.medicare.gov/longtermcarehospitalcompare/)
